5. Why they did it, if you know.

I took a title loan out with this company in April 2019 on my 2005 Ford F150 truck. In Dec 2019 I took out a title loan on my 2005 Ford Freestyle because of medical bills and personal issues. In Jan 2020 I redid my truck with only 3 payments left for new title loan. In late Feb 2020 I told Loan Max I can't make payments just come get them. I was told they don't do that, they will

just collect interest.. well after emails and  
Certified letters, and even texts with them  
and they're refusal to come get. I was  
forced in late July 2020 to file bankruptcy  
with them in it. The stress and fighting  
with them to get this taken care of  
affected my health and destroyed my  
life financially. They sent 6 letter for  
each vehicle right to cure but just  
turned loan into a personal instead  
and continued to built interest Refusing  
to get vehicles. I have all docs +  
texts, receipts for certified mail. They  
cause me mental, physical and financial  
hardship and damage but playing this game

C. JURISDICTION

☐ I am suing for a violation of federal law under 28 U.S.C. § 1331.

OR

☒ I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$ 107,580.00.

D. RELIEF WANTED

Describe what you want the Court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or to stop doing something.

After all the damage to my mental and physical being. I would settle for getting the 2 title clear back to me instead of living this over + over with a trial but will go to trial. It was my own fault I went and took a title loan out and that I got talked into another and redoing but to have them continue to send right to cure but with no intention to, and claim interest is a immoral act and totally unnecessary.
